The method of contact is by e-mail: charbonneaud@usd320.com I will reply back to confirm that I've received your advanced order.

No advance shirt orders will be taken after 1:00 pm on Thursday, October 30th.

Dressing: Dressing rooms and showers **will not be available**. The restrooms at the entrance to the stadium will be open for your use.

Parking: All buses, vans, and cars will be parked in the Wamego Sports Complex parking lot directly across from the Golf Course. We ask that all buses and/or school vehicles park along the south side of the lot as close to the football stadium as possible. Please do not park on Highway 24 or along Columbian Road.

Scoring: *Heartland Timing has been contracted by KSHSAA to score the championship races. Each competitor will receive a timing chip (2) to attach to each shoe. The chips correspond to the assigned competitor bib and hip numbers. A finishlynx camera and an identilyn timer camera will be used to place runners that are very close when crossing the finish line. The determining factor for order of finish is the torso crossing the finish line.*

Returning Timing Chips: Well past the finish line, we will have benches for competitors to sit and remove the timing chips before leaving the competitor finish area. Workers will have tables set up to collect the chips and ensure all chips that were issued are returned. Coaches will not be able to pick results up from Heartland Timing if their competitors' timing chips are not accounted for. A fee of \$10 per chip not returned will be assessed to any school whose athlete(s) do not return the assigned chips.

Results: Coaches will be able to pick up race results once Heartland Timing has finalized the results of each race. Hard copies of the results will be at the finish area near the tent or van that Heartland Timing is working from. Heartland Timing will post real-time results of each state race on their website as well for coaches and fans to access: <http://www.heartlandtiming.com/index.htm>

Parents and Fans: Parents and other fans **WILL NOT** be allowed near the finish line/trailer area. People working in the trailer will only field questions or concerns from coaches, not parents. People other than coaches will be escorted away from the area. Coaches please share this with your parents. Thank you.

Pets: Please do not bring pets onto the cross-country race area or golf course. Our admissions attendants will not allow anyone to enter with animals other than ones required for handicapped assistance.

Awards Location: The award presentations will be inside the sport complex stadium to take advantage of the permanent sound system. The stadium seating allows all a clear view of the individuals and teams as they receive their awards.

Awards: The **top 20 individuals** will be awarded medals. The **top 3 teams** from each race will receive team plaques and team medals. Please pay attention to the award times!

Time on the Course: Times will be given at the 1-mile and 2-mile marks.

Course markings: A white paint line will mark the entire course. If we have inclement weather, the runners will always run between the red flag markers. *****Coaches/runners are not allowed to place flags or any other markers on the race course.*****

Course Inspectors: Inspectors will be stationed around the course for the purpose of identifying any runner who might intentionally take advantage by cutting or performing any unsportsmanlike act to interfere with other runners. **Any runner performing an unsportsmanlike act shall be disqualified.**

Restrooms: There will be 6 portable restrooms (Johnny's on the job) located right across from the golf course entrance and 2 restrooms in the stadium. (Please note it will take you 5 minutes to walk to and from the restrooms in the stadium). **We will place 2 portable restrooms just outside the district bus lot directly west of the starting chutes. These can be used by anyone, but runners should be given the opportunity to go to the front of the line if their race is starting soon.**

Rules Committee: The rules committee will be made up of three coaches from each respective class and will be contacted ahead of the meet date by Rick Patton. If the rules committee is needed, those coaches will be called to the white trailer at the finish line.

Chute: Workers assisting in the chute will keep runners finishing the race moving away from the finish line area. Placing is electronically determined (chip timing) with a finishlynx camera and an identilyn timer used for back-up if necessary. **The torso crossing the finish line is the determining factor for order of finish.**

Picking up Information: WHS Cheerleaders will be handling out packets of information for all participating schools. They will include everything you will need including bib numbers and pins. If you need more pins, come to the finish line/tent area and ask for more. These packets will be located right inside the entrance gate.

Uniform rules: Coaches, please, **PLEASE**, double check and triple check your athletes on the uniform rules before your athletes run. We don't want any runner to be disqualified. Our clerk lining up runners in the chutes will be checking for uniform violations as well. Please give the clerk your school's "Sportsmanship & Legal Uniform" card during check-in at the chutes.
